I called to get on MC Aaron's
calendar per attached instruction.
His secretary called back when
I was out and left this msg:

His schedule is such that he
can't see me. If the schedule
lets up he will call me.

STAT

Please prepare an informal
letter for me to send him suggesting
that there may be some misunder-
standing and then provide clarification.
Let's not liarion come and cite
problem — also, he'll be different.
